

# 50 YEARS

Swiss Society of Pharmacology and Toxicology

Spring Meeting  
23<sup>rd</sup> April 2015, Inselspital Bern

**Info:** <http://www.swisspharmtox.ch>

Dear colleagues,

It is our pleasure to invite you to the Spring Meeting of the Swiss Society of Pharmacology & Toxicology, which will take place in Bern on the 23<sup>rd</sup> of April 2015. This Spring Meeting will be the **50<sup>th</sup> Year Anniversary Celebration of our Society**.

The aim of the meeting is to gather scientists interested or working in the fields of experimental, clinical or regulatory pharmacology & toxicology, or in pharmaceutical medicine, and who have contributed or still contribute to the development of the science and lore of the field of pharmacology and toxicology in the past 50 years.

Another benefit of the meeting is that it provides the possibility for contacts with our younger members and help them preparing their career plans in the academic, clinical, industrial or other environments.
