

IPCC AR7 event on 18 March 2024 in Bern

Information event for the wider scientific community and interested parties to learn more about the IPCC's new assessment cycle, presenting possibilities for scientists and experts to participate in AR7.

Participants on site will have the opportunity to talk to former and/or active Swiss authors and experts who worked in various roles for the IPCC.

Organization: ProClim/SCNAT and Swiss IPCC Focal Point (BAFU)

Date: **18 March, 10:00 - 13:00** (online streaming available, without possibility for intervention).

Place: **Hotel Ador**, Laupenstrasse 15, Bern

For organizational purposes we ask you **to confirm your participation by e-mail to proclim@scnat.ch (just your name and whether online or in-person) as soon as possible.**

You will find the Zoom link for online participation on our website shortly before the event. There will be an opportunity to ask questions after each speaker's input
