SEMINBAR

@ JAY'S

THU. 26 NOV. 2015, 6 PM

Ackermannshof, St. Johannis-Vorstadt 21, Basel, free entrance.

DR. PHILIPPE MARLIÈRE

ACCEPT NO LIMITS!

Dr. Philippe Marlière is a scientific designer and entrepreneur who founded Synthetic- and Xeno-Biology. Among other positions, he is a member of the board at Global Bioenergies, a company developing the bio-production of gaseous hydrocarbons from renewable resources.

ACOUSTIC JAM SESSION

After the seminar, starting at 6pm, an acoustic jam session will follow at the bar. Expect an intense show, free beer while it lasts, happy hour and DJ Morbus Nova. Open 'til midnight. Everyone welcome.
