SwissCollNet - Workshop 1|2021

PROGRAM

Date - May 21st (13h-16h15)
Connection - https://zoom.us/j/97831680602?pwd=eW5ITklWY3QwZHBuYS9ndlNkeUwxQT09
(Meeting ID: 978 3168 0602, Code: WS21)
Technical moderator: Mariella Hobi (SCNAT), phone 031 306 93 00

PART 1 – information session

12h45   *Opening of the zoom session*

13h   **Introductory words**
            by Aline Dépraz, SCNAT Scientific Unit

            Welcome address
            by Jürg Pfister, SCNAT Secretary General

            General presentation of SwissCollNet
            By Christoph Scheidegger, President of SwissCollNet Steering Board

            Information about the calls for project proposals
            By Alice Cibois, President of SwissCollNet Board of Experts
            By Peter Wandeler, Vice-President of SwissCollNet Steering board, Co-president of musnatcoll

14h   *Break*

14h15   **Questions**

            NB: participants write their questions on the chat during the presentations; a moderator will gather them and present them to the speakers. If time allows at the end, oral questions will be open.

14h45   *End of part 1*

PART 2 - group discussions

14h50   **Information about the group sessions**

            Group discussions (see information below)

15h50   *End of the group discussions*

16h   **Closing word**
            By Christoph Scheidegger, President of SwissCollNet Steering Board

Group discussions

The objectives are to allow the participants to exchange informally about their ideas and network, to bring similar initiatives together and to gather feedback for SwissCollNet.

No strategic information about SwissCollNet will be given during the group discussions.

After the workshop, a summary of the group discussions as well as the presentation contents will be forwarded to all participants.

The following list of topics will be open for group discussions:

Room #	Topic	Moderator(s)
1	Financing	Peter Wandeler
2	Digitization - scanning	Michael Greeff
3	Digitization - database, CMS	Nadir Alvarez
4	Training	Alice Cibois
5	Earth sciences projects	Beda Hofmann & Pierre Dèzes
6	Paleontology projects	Gabriel Aguirre & Loïc Costeur
7	Botany projects – room 1	Michelle Price
8	Botany projects – room 2	Christoph Scheidegger
9	Vertebrates projects	Manuel Ruedi & Felix Althaus
10	Invertebrates projects – room 1	Jessica Litman & Anne Jacob
11	Invertebrates projects – room 2	Sophie Giriens & Britta Allgöwer
+	10 open tables	

Open tables are "discussion rooms" available if some participants wish to discuss privately. If interested, select a room or write a private message in the chat to Mariella Hobi (the technical moderator present during the workshop) to send you to such a room.

SELECT A ROOM

Participants will be asked to choose a group during the workshop.

1. Clic on the button at the bottom of your zoom window (Breakout rooms/Räume/Salles)
2. Select the room you want in the list (numbers at right indicate the number of persons already in)
3. Limit to maximum 10 persons per room to allow informal discussions
