# 11<sup>th</sup> Swiss Global Change Day

20 April 2010 in Bern  
Poster session with awards

sc | nat 

**Science and Policy**  
Platform of the Swiss Academy of Sciences

ProClim–  
Forum for Climate and Global Change

Objectives

The Swiss Global Change Day is an event where the whole global change community can meet and discuss ongoing problems in a transdisciplinary manner. The aim is to present recent highlights in global environmental

change research as well as to point out challenges for future research. Besides there is the opportunity for people from governmental institutions, economy and politics to ask questions and explain their needs and views on the presented topics.

Poster session and awards

The poster session is an opportunity to stay in touch with current Swiss research activities. The best two posters in each of the fields of WCRP, IGBP, IHDP, DIVERSITAS and ESSP\* respectively will be selected by a jury. The authors (students or post-docs) of these posters will receive a travel award of CHF 1000 each, which will allow them to attend an international conference in the current year. There are new terms to attend the contest this year: you are asked to

send us a pdf file until 10 April 2010. You have also the possibility to present your poster without entering the contest.

The poster awards are sponsored by:  
Bodies of the Swiss Academy of Sciences:  
• ACP Commission for Atmospheric Chemistry and Physics  
• IGBP Swiss Committee  
• Swiss Biodiversity Forum  
• ProClim  
IHDP Swiss Committee (SAGW)

Location

Freies Gymnasium, Beaulieustr. 55, Bern. Take Bus no. 11 direction ‘Neufeld’, 5<sup>th</sup> stop ‘Brückfeld’, cross

the street, it’s the big red building in front. It takes about 15 min. from the station.

\* WCRP: World Climate Research Programme  
IGBP: International Geosphere Biosphere Programme  
IHDP: International Human Dimensions Programme on Global Environmental Change  
DIVERSITAS: International Programme on Biodiversity  
ESSP: Earth System Science Partnership
