

Joint Annual Meeting of SPS and ÖPG, 21-25 August 2107 in Geneva

We are working hard on the preparation of the Annual Meeting taking place this summer in Geneva, and are looking forward to seeing you there. Below a reminder of some important deadlines you should not miss, as well as informations regarding the exciting scientific program and social events that will take place. [\[more\]](#)

Scientific program

The scientific program is now available and can be downloaded [here](#).

Book your accommodation now!

As Geneva is a great touristic city, hotels are quickly fully booked, especially in the summer. The SPS arranged a special deal with the Geneva University Hostel, where you can book a room with a special discount for the conference - 55 CHF per night for a single room / 39 CHF per night for a shared room. But you should do so **before 10 July** [\[more\]](#). Other hotel deals can also be found [here](#).

Conference registration

Registration is now open and will close on **1 August**. [\[more\]](#)

CERN Visits

On the afternoon of 21 August and in the morning of 22 August, CERN will offer guided visits to experimental sites and exhibition places. Each will last approx. 90 minutes. When you register for the conference, you can choose the sites you would like to see. As places are limited, visits will be organized on a first come-first served basis.

Available visits:

- ATLAS Visitor Centre & Synchrocyclotron
- Data Centre & Antimatter Factory
- AMS & CERN Control Centre
- LHC Magnet test hall
- Microcosm (guided tour)

The CERN [Microcosm](#) (8:30-17:30) and the [Globe and Science and Innovation](#) (10:00-17:00) also offer standing exhibition at your own initiative, open for all, with free entrance (closed on Sundays).
