7th Swiss Global Change Day

20 April 2006 in Bern
Poster session with awards

sc | nat

ProClim –
Forum for Climate and Global Change
Platform of the Swiss Academy of Sciences

Objectives

The Swiss Global Change Day is an event where the whole global change community can meet and discuss ongoing problems in a trans-disciplinary manner. The aim is to present recent highlights in global environmental change research as well as to point

out challenges for future research. Besides there is the opportunity for people from governmental institutions, economy and politics to ask questions and explain their needs and views on the presented topics. Discussions with «provocators» will provide the corresponding frame.

Poster session and awards

The poster session is an opportunity to stay in touch with current Swiss research activities. The best two posters in each of the fields of WCRP, IGBP, IHDP DIVERSITAS and ESSP* respectively will be selected by a jury. The authors (students or post-docs) of these posters will receive a travel award of CHF 1000 each, which will allow them to attend an international conference in the current year.

The poster awards are sponsored by:
Bodies of the Swiss Academy of Sciences:
• ACP Commission for Atmospheric Chemistry and Physics
• IGBP Swiss Committee
• Swiss Biodiversity Forum
• ProClim
IHDP Swiss Committee (SAGW)

Location

Freies Gymnasium, Beaulieustr. 55, Bern. Take Bus no. 11 direction ‘Neufeld’, 5th stop ‘Brückfeld’, cross

the street, it’s the big red building in front. It takes about 15 min. from the station.

* WCRP: World Climate Research Programme
IGBP: International Geosphere Biosphere Programme
IHDP: International Human Dimensions Programme on Global Environmental Change
DIVERSITAS: International Programme on Biodiversity
ESSP: Earth System Science Partnership
